

What some of our guests say...

“Love the flat. It is very warm and welcoming and has character. The bedrooms are spacious and the kitchen well-equipped.

I had a lovely week at Morillion. Even though I didnt ski, there was plenty to do. I went for walks to nearby villages like Samoens and Flaine, visited the shops. Would love to go back during the summer.”

“On the tube going into work & dreaming of Chez Amis and the Alps. Oh to be in your gorgeous mountain hide-away again.

So comfy, so cosy and so very special and so carefully thought out - a real home away from home. Ah what wonderful memories of great snow with blues skies and sunshine and stunning mountain scenery, of delicious French food and picturesque villages and of happy times with wonderful friends. Thank you guys so very much!”

“Had a fantastic time in true ‘Savoyard style!!
Chalet Chez amis is set in magnificent surroundings, we enjoyed walking during the daytime and curling up with a glass of local French wine by the wood-burning-stove in the evening, we’ll be back!!”

“I just wanted to write a little note to say what an amazing time me and my partner had, we were both taken back by the stunning views and how charming Chez Amis was. We really enjoyed the peace and quite it gave us a chance to enjoy each others company and have great chats in front of the fire. The skiing was excellent, there were a few falls but no major injuries. I just want to say a big thank you to Rachel for letting us stay here it really was a great break and we loved every second of it! We would definitely love to come again.”
